G3

Changing the world.

G3 Ministries will be the greatest initiative in the world and ultimately every person on earth will be touched by and involved with this project. God will inspire people with solutions to all the world’s problems and they will come to Montreal to work towards developing wide ranging solutions in order to eliminate these global scourges. There are two major areas of G3:

- **Eden Project** - all positive changes for human life.
- **Noah Project** - all positive changes for animal life.

NuVo

Wellness and a great LifeStyle for all

Our goal at NuVo is to help you (all 7.8 billion of you!) towards living your ideal life, irrespective of where you live or your current social situation. We are also about building the sport of racquetball all around the world - to the point where it is played in every community in every city in every country and by hundreds of millions, even billions of people worldwide.

G3 Golf

Focused on proliferating golf at all levels, bringing this wonderful game to many millions (even billions!) of people of all nations and economic backgrounds.

dogZlife

Montreal. Home of G3. Where all of the best and brightest the world has to offer come to be a part of the future of our incredible planet - and beyond.

dogZlife is focused on the development of Montreal as the creativity capital of the world and the dissemination of the products of this creativity to every square mile of this earth. This includes not only the arts, but, creativity in all its forms; high technology, architecture, furniture design and home decor, fashion, the culinary arts...

NuVoWay Foundation

Healing the world.
